WWW.JULIETTEFOUNDATION.ORG

Dear Prospective Sponsors and Donors,

It is with great honor that we serve the Juliette RP Vision Foundation. Our mission is to provide educational opportunities for visually impaired college students, support research for young scientists (MD/OD/PhD), and raise awareness in our communities to find a cure for Retinitis Pigmentosa (RP) and other retinal diseases.

We invite you to join us for “*Night for Sight*” 2024, an evening of dinner and entertainment. Enjoy a cash bar reception, a delicious dinner, live entertainment, and dancing. Contribute to a great cause by participating in our silent auction and visiting the photographer or photo booth for a memorable keepsake.

The highlight of the evening will be personal stories from our scholarship and grant recipients. However, to continue making a difference for the students and researchers we support, we need your help.

Attached are this year’s sponsorship packet, prospectus, and event details. As a 501(c)(3) organization, The Juliette RP Vision Foundation offers tax deductible donations as allowed by law.

If you have any questions or need additional information, please email JulietteFoundation@me.com or call 1-888-465-1482. To learn more about our Foundation, RP, or to purchase tickets for “*Night for Sight*” 2024, please visit our website at: www.JulietteFoundation.org.

Thank you for your support!
